ABOUT THE GULET M/S FLAS VII

The luxury sailing yacht M/s Flas VII is designed to sleep a maximum capacity of 17 passengers, with 1 grand master & 3 master cabins with king size beds & 1 master cabin with a queen size bed, 1 cabin with a double and twin bed ideal for a couple with a young child or for 3 kids to share, and 2 cabins with twin beds. It is ideal for large families or groups of friends with both couples and singles. Her ancient design is complemented by spacious fore, side and aft decks, up to date nautical equipment, outdoor dining facilities, cushioned lounging areas, sun mattresses, tenting to protect from the sun. The elegant interior features 8 cabins with high ceilings, a/c, generous storage space, and a roomy "en suite" bathroom with toilet, shower, sink and vanity. The interior also has wide corridors, and a salon (living room) with a stocked bar, cushioned seating areas and a table for indoor dining.

Cuisine on board a gulet is a pleasure. A skilled chef, whose expertise ranges from haute cuisine to regional specialties, guarantees satisfaction for even the most discriminating palate. Seafood is served Mediterranean style, and organically grown fresh herbs, vegetables, and fruits of the season ensure the finest flavor.

Swimming off from or just dreamily floating around the yacht is certainly one of the most enjoyable experiences of your voyage. Additionally, you can sail, water ski, snorkel, kayak, fish, play board games, cards, or even go on moderate to strenuous hikes with the captain. Other activities can also be arranged, such as parasailing, jet skiing, scuba diving, paragliding, plus numerous additional

water sports (at extra cost). Naturally, relaxation is a key part of the voyage, and we offer a library of magazines and books to peruse. A DVD library and DVD player is also on board stocked with film classics, children's, and foreign films. The stereo system has indoor and outdoor speakers and iPod connections for even more personalized listening pleasure.

Shore excursions along the Aegean and Mediterranean coasts are fantastic opportunities to experience sights and sites otherwise not so easily accessed. Combining Turkey's Turquoise Coast and the nearby Greek Dodecanese Islands offers two different cultures and extensive outings choices that easily meet individual or group interests. Both have lively resorts, traditional sleepy villages, authentic local cuisine, sightseeing, shopping, nightlife, and ancient site explorations. Some trips require vehicles, while others are walks or optional hikes. Guides can also be booked or the captain will ably help you explore on your own. Of course, you may also decide to stay aboard and just relax. One of the best sides to luxury yacht (gulet) voyages is the freedom to enjoy your own preferences.

COMFORT ON BOARD

Lounge with fully stocked bar and ice maker, indoor dining facilities, fully equipped galley, air conditioning, generous closet and storage space, reading lights above the beds, bathroom with enclosed shower, hot and cold water, flush toilet, marble sink with vanity, towels (face, hand, bath and beach), bathrobes, hair dryer. On deck there are easy access swim ladders & outdoor shower.

SAFETY

Life vests for children and adults are stowed under the cabin beds for easy access. Fire extinguishers are located in the lounge, engine room, and kitchen. A fire escape is situated in the yacht's front hallway. The first aid kit is stored in the lounge.

RECREATION

Snorkel and water-ski equipment for all ages, 2 kayaks, flotation devices, and fishing equipment. Television with DVD player, CD player with iPod connection, speakers below and on deck, backgammon, chess, playing cards and yoga mats.

PHONES & INTERNET

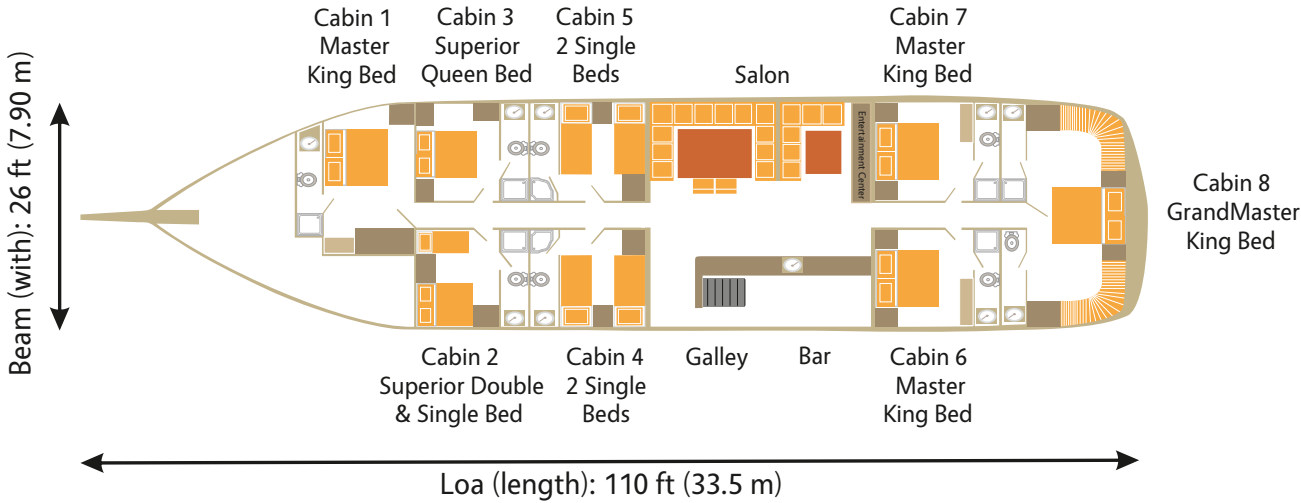

Cell phone coverage and free WiFi connection for up to 4 GB is available on board. Over and above that, the rental price for an external modem, which we can arrange, costs approximately 50 Euro per week.

AIR CONDITIONING

Air conditioning may run continuously in Turkish ports. Greek ports do not provide enough voltage necessary for air conditioning so generators are used until midnight. (Harbor regulations forbid generator noise after this time.) For safety reasons, even if the yacht is completely isolated in a cove, the generator cannot be left on for 24 continuous hours, as the engine room must be manned while the generator is in use.
